

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to giving new design concepts and top quality so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing items that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills along with their comprehension of cleaning applications, together with owners' strong desire to considerably lessen cost through productivity gains.

When considered necessary, the employees within TREK and its several dealer members in both technical support and parts would be available. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines functioning and ready day after day is top priority. The company's top of the line technology delivers dependable machine that eventually lowers your cleaning cost. The price, the service and the product all work together to be able to make them the leader in the trade.
